

# In Pain

Richard Dedor

The football field has always been Andrew Godfreys home. Now hes the starting quarterback and his fellow sophomore and best friend Kole is his favorite receiver. But the season gets off to a rough start with a tough loss and suddenly Andrew begins to question everything about his life. Football isnt as much fun anymore. His home life certainly isnt comfortable. Just as his life seemed to be coming together, life for Andrew is falling apart just as quickly. Andrew must find the strength and courage to be something other than the star quarterback but he must be open to a simple love even if it means losing everything.
