

Oxford Reading Tree: Stage 3: First Phonics Talking Stories: CD-ROM: Unlimited User Licence

Sherston Software, Roderick Hunt, Mr. Alex Brychta

Each page of the Stage 3 First Phonics Stories is presented on screen. The child is able to move through each story on screen by clicking on a button using the mouse. Roderick Hunt's text is narrated either as a whole page, individual sentence or individual word depending on choice, with each word being highlighted individually as narrated. On every page Alex Brychta's illustrations have a lively animation and sound effect. In addition to the six First Phonics Talking Stories and their individual activities, there are three lively new Phonics Fun activities: Wilfs Word Machine, Wilmas Rhymes and Snap. These are accessed via a separate menu and with their own set of comprehensively variable Teacher Options. Each activity has two levels of difficulty and uses a variety of words and pictures. Available with a Single User Licence or an Unlimited User Licence.
