John B Olson

Take a Deep Breath... It Could be Your Last Valkerie Jansen is rough, beautiful, and has an uncanny knack for survival. But that doesn't explain why NASA picks her to be part of a two man, two woman crew to Mars--or does it? Halfway to the Red Planet, an explosion leaves the crew with only enough oxygen for one while the other three must be put in stasis. The crew's survival depends on complete trust in one another but all evidence points to sabotage. Who do they trust to stay awake? A Christy Award Winning Novel
