

OzBox: Learning Through Literacy Year 3

Annie Facchinetti

OZBOX: Learning Through Literacy is a program for years 3-6 that provides full coverage of the Australian Curriculum for Science, Humanities and Social Sciences, specifically History and Geography. The program is ideal for shared, guided and independent reading and writing. OZBOX provides educators with a flexible approach to allow for differentiated instruction. The program includes four individual topic cards for each Australian Curriculum content description. The cards are written at different reading levels, allowing all students to learn the content outlined in the Australian Curriculum. Click [HERE](#) to see how OZBOX aligns with the Australian Curriculum. Click [HERE](#) to see how OZBOX aligns with the NSW Syllabus. Year 3 OZBOX contains: 24 Geography topic cards | 20 History topic cards | 16 Science topic cards (60 topic cards)*. *There are 6 copies of each topic card to facilitate group work.
