Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Saint Pacian (Pacianus) (ca. 310-391 AD) was a bishop of Barcelona during the fourth century. He was bishop from about 365 AD to 391 AD, succeeding Praetextatus (Pretextat), who had attended a church council at Sardica in 347 AD and who is the first recorded bishop of Barcelona. Considered a Father of the Church, Pacian is eulogized in Jeromes De viris illustribus, in which Jerome praises his eloquence, learning, chastity, and holiness of life.
