

Pack- Way of the Wolf

Jaliyah J Phillips

Jennifer Reagen is fourteen, lives with her father, goes to school at Westbank High, where shes in the ninth grade, and hates cats. Oh, and shes a werewolf. (wereshe-wolf?) But Jennifer Reagen isnt just a werewolf, oh no. Shes the Alpha of a Pack of werewolves- one of best, according to her Beta. Shes coped so far with the struggle of containing a rowdy group of twelve through eighteen year olds, but can she keep things, and herself, together, when the Pack that killed her mom and sister (and by accident, put her in power) comes back for vengeance? Or will she crumble to the darkness that is the Scarlet Claw? Find out, in Pack- Way of the Wolf.
