The only man in Alpha Company to survive a cataclysmic Vietcong attack, Paco Sullivan is sent back to the U.S. with his legs full of pins, daily rations of Librium and Valium, and no sense of what to do next. One evening, he limps off a bus and into the small town of Boone, determined to find a real life but no matter how hard he works, nothing muffles the anguish in his mind and body. Brilliantly and vividly written, *Paco's Story* plunges the reader into the violence and casual cruelty of the Vietnam War, and the ghostly aftermath that often dealt the harshest blows.
