

# Paddiana, or Scraps and Sketches of Irish Life, Present and Past, Vol. 1 of 2 (Classic Reprint)

Adam Blenkinsop

Excerpt from Paddiana, or Scraps and Sketches of Irish Life, Present and Past, Vol. 1 of 2 My introduction to Ireland was made before steam-packets came into general use, though they ran even then between Holyhead and Howth but this I believe was the only line. It is amusing, in these days, to recall to memory the fears expressed at that time on the subject of steam-power, not only by elderly ladies and ecclesiastics, but by a great majority of all ages and classes. Seafaring men of every kind were against it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works.
