

# Padre Pio : An Intimate Portrait of a Saint Through the Eyes of His Friends

Kathleen Stauffer

Have you ever met a saint? Meet Padre Pio through the stories of those who knew him best: Tender reflections from the monks who lived with St. Pio chronicle his daily life, deep prayer habits, and incredible love for Jesus. The men who worked, worshiped--and even laughed--side by side with Padre Pio reveal their deep respect and affection for a humble monk so specially acknowledged by God. You'll never forget these touching remembrances from the unassuming friars who lived each day knowing a great saint stood in their midst.
