

Padre Pio: the Scent of Roses : Irish Miracles and Cures

Colm Keane

This book is crammed with miracles and cures attributed to Ireland's favourite saint, Padre Pio, who for 50 years bore the five wounds of Christ. Recoveries from various cancers, including tumours and leukaemia, heart problems, depression, multiple sclerosis and arthritis are recalled. Remarkable revivals from accidents, infections, problems in childbirth, brain injuries, renal failure and blood clots are also included. Using first-hand accounts, Padre Pio: The Scent of Roses is written by award-winning journalist Colm Keane.
