

Pain Is Only One Sign

Red Canary

I was born January 20, 1988, in Westmoreland, Jamaica. I started writing poetry when I was in the sixth grade. There was something about writing that brought me to life. It helped me to better express myself to others without verbal communication. As I advanced to high school I became more passionate about writing and developed greater writing skills. High school brought more experiences to my life and made life speak more to me, and many more feelings were developed.
