

Pain in Its Neuro-Pathological, Diagnostic, Medico-Legal, and Neuro-Therapeutic Relations (Classic Reprint)

J Leonard Corning

Excerpt from Pain in Its Neuro-Pathological, Diagnostic, Medico-Legal, and Neuro-Therapeutic Relations There is no department of neurology a knowledge of which is so essential to the physician as that which deals with pain. As an aid to diagnosis the importance of this symptom is unique while to relieve it requires discernment and ingenuity of a high order. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
