

# Painted Over

Ponk Vonsydow

For over a decade, muralist Punk Ken (now author Ponk Vonsydow) successfully completed a body of artistic work that is worthy of notice. Punk spent many long hours painting murals in restaurants, night clubs, and residences. This book documents that work with photographs as much as possible before it was PAINTED OVER, an unfortunate side effect for this type of art. The book also includes interesting and sometimes humorous tales of the clients who hired Punk to do murals and decorative interior design between 1989 and 2002. It also reflects the lifestyle and general condition of most artists and their struggle to do what they love and support themselves in the process.
