

The Oxyrhynchus Papyri, Vol. 5 (Classic Reprint)

Bernard P Grenfell

Excerpt from The Oxyrhynchus Papyri, Vol. 5 In editing the two most important classical texts, the Pindar (841) and the new historian (842) we have enjoyed for the last time the very great privilege of collaborating with Professor F. Blass, whose tragically sudden death occurred shortly after he had completed the revision of the earlier proofs of those two texts, to the reconstruction of which he had so largely contributed. It is impossible for us adequately to acknowledge the debt which our publications of classical texts during the last eleven years owe to the generous and unstinted assistance of that illustrious scholar, whose brilliance of imagination and depth of learning were never more admirably displayed than in the congenial occupation of restoring, elucidating, and identifying literary papyri. His loss is indeed to us irreparable, and will be felt most keenly when we come to deal with the immense number of fragments from the Greek lyric poets found during the last two seasons, since in that department no less than in that of the Attic orators his pre eminence was conspicuous. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works.
