Co. is devoting thte main part of the energies of the mahogany plant to getting out material for government needs for airplane work. Some other local plants are also doing airplane work, among them the plant of the Inman Panel Co. on this side of the river, and also on the New Albany side. Some are making airplane work. RATE ON BASKETS. W. C. Starbird, vice-president, Consumers Lumber & Veneer Co., Apopka, Fla.: There is a lot of business to be done in Florida this summer and winter. It lookB like there will be a large orange crop, which will take something like 10,000,000 boxes, and no doubt there will be wanted the usual amount of lettuce, celery, cabbage, eggplant and tomato crates which will mean something like 10,000,000 more crates, and in connection with this there is an increasing demand for wirebound or 4--One boxes in the south, for northern shipment. These boxes are being used extensively for shipment of different supplies to France, such as canned milk and other canned goods. Our great drawback just now is the labor situation. Most of our skilled labor is being used in shipyard and other war work, which leaves us very short. Would like prices and descriptions on short log sawmill or bolter for handling logs from 3-ft to 8-ft long. Sandy, N. C.--Lumbee Veneer Co., Alma, N. C, incorporated, \$25,000 capital A. J.
