

The Painter 5 Wow! Book

Cher Threinen-Pendarvis

MetaCreations Painter 5 has garnered the highest honors from industry and users for its expanded natural media capabilities. The new edition of The Painter 5 Wow! Book shows the breathtaking array of artistic possibilities available to artists, illustrators, graphic designers, and photographers for creating new fine art pieces, or adding pizzazz to existing designs. The Painter 5 Wow! Book has been completely updated and expanded to include information about useful new functions such as Painter 5's new masking and selection model and transparent layers and dazzling special effects such as Impasto, Liquid Metal, and Bevel World. As with the other Wow! books, the focus is on real art created by working professionals. Step-by-step descriptions reveal how each piece was created and how readers can apply the same techniques to their work. The CD-ROM features many brand-new custom brushes and paper textures built by the author.
